### CORDERO DI MONTEZEMOLO BAROLO GATTERA 2014 ★

Tuesday, April 24, 2018

Country	Italy
Region	Piedmont
Vintage	2014

Score  
**94**

A brash and modern style with attractive and newer oak notes, which are all cedary and spicy across wild red cherries. The palate has real depth and power. It delivers a long spice-wrapped train of red and dark cherries. One of the best and most complete wines of the vintage. Try this from 2022.

Attractive, fresh red plums and cherries with some lifted woody notes, all leading to a palate with layered, sturdy tannins that grip gently and smoothly into the finish. Give this five to six years. Try from 2023.

### CORDERO DI MONTEZEMOLO BAROLO MONFALLETTO 2014 ★

Tuesday, April 24, 2018

Country	Italy
Region	Piedmont
Vintage	2014

Score  
**93**

A little lift with woody and floral aromas here. The base line red cherries run from nose to palate seamlessly. There's also an attractive, compressed density to the tannins here. Good polish. This is promising. Try from 2022.
